JULY 3, 2007

IN RE:	Application of Upward Endeavors, LLC d/b/a)	ORDER APPROVING
	Two Men and a Truck of Greenville, 208)	INCREASE IN RATES
	Transit Drive, Greenville, South Carolina)	
	29607 (District 4) for Approval of an Increase)	
	in Rates.)	

This matter comes before the Public Service Commission of South Carolina (the Commission) on the application, filed April 9, 2007, of Upward Endeavors, LLC d/b/a Two Men and a Truck of Greenville (Upward Endeavors or the Company) for an increase in rates, pursuant to 26 S.C. Code Ann. Regs. 103-190, et seq. Upward Endeavors presently holds a Class E Certificate of Public Convenience and Necessity to transport household goods.

The requested rate increases are as follows:

	Current Rates Per Hour	Proposed Rates Per Hour
Rate per one mover, residential	\$ 58.00	\$ 65.00
Rate per two movers, residential	\$ 75.00	\$ 85.00
Rate per three movers, residential	\$ 95.00	\$105.00
Each additional mover	\$ 15.00	\$ 20.00

Additionally, the Company proposes to remove charges that currently apply to moving large screen televisions and to remove the 5% insurance surcharge previously granted by this Commission in Order No. 2004-122.

Upon receipt of Upward Endeavors' application, the Commission's Docketing Department instructed the Company to publish, one time, a Notice of Filing in newspapers of general circulation in the areas of the state affected by the Application. The purpose of the Notice of Filing was to inform interested parties of the Application of Upward Endeavors and of the manner and time in which to file the appropriate pleadings for participation in the proceeding. The Company complied with this instruction and provided the Commission with proof of publication of the Notice of Filing. No protests or Petitions to Intervene were received.

The South Carolina Office of Regulatory Staff (ORS) conducted an impact study in response to the application of Upward Endeavors. On June 8, 2007, the ORS filed its audit report and findings with the Commission. ORS asserts that the request of Upward Endeavors does not appear to be contrary to the public interest and states that it does not oppose the Commission's approval of this request. ORS advises in its report that for the year ended December 31, 2006, Upward Endeavors had a coverage ratio of 81.03% after adjustments on regulated revenue and that the requested tariff increases would result in a coverage ratio of 76.42% with additional revenue of \$45,429.08 for the twelve months studied by the ORS.

We have considered the application and the ORS impact study and have concluded that the increases proposed by Upward Endeavors are just and reasonable. Accordingly, the application for an increase in rates of Upward Endeavors is approved as filed.

This Order shall remain in full force and effect until further Order of the Commission.
